

EMPLOY A LIFESAVER FOR £7 PER WEEK

DOES YOUR PRACTICE
HAVE A LIFELINE?

AUTOMATED EXTERNAL DEFIBRILLATOR (AED)

The Lifeline AED allows you to meet the latest clinical standards simply, and deliver life saving care without any risk to you or your patient.

- Simple compliance with the clinical standards
- Simple to operate
- Totally safe for you and the patient, fail-safe protection from incorrect use
- Zero ongoing maintenance for you to worry about

martek[®]
— Life Saving Care, Anywhere! —

Sudden cardiac arrest (SCA)
is the UK's number one killer

It can strike anyone, at any
time and often without
warning

An AED in your practice
can increase victims
chances of survival
from 5% to 70%+
